Join me for a weekend retreat at Camp Yamhill in the Trask Mountains. Camp Yamhill is outside Newberg, OR and is approximately 1 1/2 hours from Portland, Oregon. We will spend 2 1/2 days learning new techniques with the Colors for Earth Product line.

We will be staying in a lodge on the camp ground. There are two floors with twin beds, and the first floor has a large conference room area where we will have class each day.

Three Colors For Earth Licensed Associates/Instructor's including Paula McCoy, Sara Cantlon, Marchelle Burnham will be conducting multiple workshops during the weekend. No choices to make, classes will be designed so that you can rotate from one teacher to another and not miss out on any of the workshops. Six projects will be completed in the weekend. We will also be doing Raku using our CFE products and Kiln.

We will have wonderful homemade meals made by the Camp's Kitchen staff, stay among beautiful trees in the mountain setting, and enjoy great educational projects using the Colors for Earth Products.
